Dear Beth El family,

Given the rapidly changing landscape, the Beth El Executive and Rabbi Goldstein have decided it is in the best interest of our community to cancel all programming (services, religious school and classes) at Congregation Beth El until at least April 6th.

We recognize that Passover is around the corner. We are hope and pray that we are able to host our 2nd night Seder. If circumstances do not allow that, then we will look at other options, including hosting a Seder using technology such as Zoom.

We are looking into additional online Jewish resources for children and adults and expect to provide you with further information within a few days.

The Rabbi is available for calls or texts at 1-314-591-8559 or email rabbilynngoldstein@gmail.com. She can be available in person on an as-needed basis.

The office will remain open for phone calls only and can be reached at 519-969-2422 or bethelwindsor@cogeco.net. To keep us all healthy please do not come to the building without making arrangements ahead of time.

If you are a senior or have a compromised immune system, please contact the Rabbi or the office, and we will do our best to get necessities to you safely.

Currently there are no confirmed cases of Covid-19 in the Windsor-Essex. For up-to-date information please visit the Windsor-Essex County Health Unit at www.wechu.org

Please be sure to check your email daily so that we can continue to provide updates.

Rabbi Goldstein

Beth El Executive
